WEDDINGS & HONEYMOONS

"A marriage made in heaven – your heaven. Thank you, thank you, thank you; we will never forget - and we will be back!" That's how one delighted couple from Auckland, New Zealand, described their experience of a Royale Takitumu wedding. They're one of many couples who choose to combine this idyllic location and our wedding expertise to create an incredible never-to-be-forgotten wedding experience. A Rarotonga marriage takes a wonderful tropical holiday and elevates it to a life-long treasured memory. Instead of the usual planning and stress associated with getting married, a Rarotonga wedding ensures that your special day is one of complete pampering, relaxation and enjoyment – for the happy couple and all their guests. You might want an intimate wedding for just two, or perhaps you have a special group of family and friends who want to share your big day. Choose from a ceremony on the beach, by the lagoon, under a palm tree, in the gardens, around the pool or in a local church. Whichever location you select, you know that your wedding photos will be framed by the bluest of skies, the most shimmering of seas and expressions of happiness on the faces of everyone involved.
